The 2018 National Conference technical program in Monterey, California will include Industry Seminars. These seminars are scheduled for Wednesday, June 20, and will feature concurrent winemaking and grapegrowing one hour seminars.

This part of the ASEV technical program provides an excellent opportunity to engage our industry suppliers in our educational program for a nominal investment. Each seminar will offer:

1. invited industry speakers to provide topical information to our conference attendees and
2. supplier displays as part of the Industry Seminars.

**TOPICS**

**Industry Seminars**

**WEDNESDAY**

- Grapegrowing - Building Healthy Soils (1 hr.)
- Winemaking - Using Malolactic Fermentation as a Driver of Red Wine Style (1 hr.)

Industry Seminars are included in the national conference General Registration fee. Attendees that prefer only to attend an industry seminar will be able to do so for a reasonable registration fee. Supplier displays will be accessible to all National Conference and Industry Seminar Only attendees.

**SUPPLIER DISPLAYS**

The conference organizers will designate the suppliers to display based on products or services specifically related to this year’s topics and the responses we receive. The display tables will be located close to the meeting rooms. ALL material displayed must be placed/fit on the table provided. It will be the supplier’s responsibility to transport and place the material on the display table and with accordance of the hotel’s safety and property protection parameters. A supplier representative is expected to be present by the company display throughout the posted supplier display hours.
