The 2015 National Conference technical program in Portland, Oregon will include Industry Seminars. The concurrent seminars are scheduled as noted below. Grapegrowing and winemaking topics will be addressed each day.

This part of the ASEV technical program provides an excellent opportunity to engage our industry suppliers in our educational program for a nominal investment. Each seminar will offer:

1. invited industry speakers to provide topical information to our conference attendees and
2. supplier displays as part of the Industry Seminars.

- **TOPICS**
  - **Industry Seminars**
    - **WEDNESDAY**
      - Winemaking - The Influence of Malolactic Fermentation on Wine Quality
    - **THURSDAY**
      - Winemaking - Next Generation of Wine Microbes and Wine Microbiology
      - Grapegrowing - Precision Viticulture in Practice in the Pacific Northwest Growing Region

**Supplier Displays—Industry Seminars**

Industry Seminars are included in the national conference General Registration fee. Attendees that prefer only to attend an industry seminar will be able to do so for a reasonable registration fee. Supplier displays will be accessible to all National Conference and Industry Seminar Only attendees.

**SUPPLIER DISPLAYS**

The conference organizers will designate the suppliers to display based on products or services specifically related to this year’s topics and the responses we receive. The display tables will be located close to the meeting rooms. All material displayed must be placed/fit on the table provided. It will be the supplier’s responsibility to transport and place the material on the display table and with accordance of the hotel’s safety and property protection parameters. A supplier representative is expected to be present by the company display throughout the posted hours during the days of the associated seminar.
