The ASEV's 2017 National Conference in Bellevue offers an ideal opportunity to gain notoriety among your clients or colleagues while supporting an established platform for research reports and networking. Drawing winemakers, vineyard owners and other professionals from around the nation and world, the ASEV National Conference is an open forum for science and practice with a unique opportunity for personal and professional networking.

Differentiate Your Company

Securing a National Conference sponsorship, especially an exclusive sponsorship, is an outstanding way to differentiate your company. This is a unique opportunity to make your company name stand out – to distinguish yourself throughout the grape and wine industry.

Positive Publicity with Heightened Visibility

ASEV sponsorship and advertising is a positive way to distinguish your company. Our sponsors and advertisers are recognized as leaders in supporting ASEV and the National Conference as a direct connection with the industry.

Giving Back

A sponsorship or ad makes you part of the ASEV family. By demonstrating your commitment to the industry and the issues your customers care about, you become a friend, an insider and colleague rather than another vendor. Your support creates enormous goodwill.

Cost-Effective Choices

Choose from a wide range of exposure levels and corresponding benefits offered in this brochure. For example, sponsorship that offers hospitality opportunities such as a lunch or a coffee break or sponsoring an invited speaker provides maximum exposure and a direct connection to the session or symposium audience.

Strongly position your company through a sponsorship or advertising package at the Hyatt Regency Bellevue June 26 – 29, 2017, by making your commitment today.

Please contact our office or visit www.asev.org if you have any questions. Thank you in advance for your support.
